Street Names Draw Discussion

By Terry Barnicle

SUTTON - The bi-weekly meeting of the Sutton Planning Board was held on June 20 with Chairman Craig Ferrell, Kris Oliver, and Scott Paul present. The following matters were addressed:
- WOODBURYVILLE HEIGHTS

A hearing was held on an application for a Special Permit for the erection of a sign at Woodburyville Heights. The permit was granted with all present in favor. The sign will be two-sided and located on a traffic island between the entrance and exit roads. The 30" x 12' sign, with the words "Woodburyville Heights" and a logo, will not be illuminated. To enhance the entrance, stone walls five feet high will be erected with lights to define the entrance. Small trees and flowers will be added for further decoration.

- STREET NAMES

Town Clerk Ethel O'Day read a letter she had written to the Planning Board outlining some of the problems that result in naming new roads. She explained that in her capacity as Town Clerk the state requires that she compile an annual booklet of street names. This booklet is distributed to the police and fire departments to allow them to

have an accurate list in case they have to respond to an emergency. This book is also available to the public.

A problem has arisen because the book has already been printed, identifying a street in Sutton as "Skyline Drive" which the developer has called "Janet Drive." She suggested that a policy for naming roads be established in order that the confusion that presently exists not be repeated.

The board suggested that the developer switch the names of these streets in question on his plans. At a previous planning board meeting, the developer, George Lamothe, told the board that the former owner retains the right to name the streets, under their contractual agreement.

The board voted to approve the names of the streets as the Town Clerk and the Board of Assessors have them recorded.

In a later interview, Mrs. O'Day stated that Town Planner Ted Brovitz will author a new section to the subdivision regulations pertaining to naming roads, and will submit it to the planning board for approval.

- PLANNER'S REPORT

Ted Brovitz presented the board with a progress report on "cluster" and "planned unit" developments. ("Cluster" developments are resi-

dential; "Planned-unit" include commercial and industrial.) He gave an assessment analysis to the board. Among the comments Brovitz made were that a 25-acre requirement for cluster developments is very restrictive; 20 is usual; a 150-foot buffer is very restrictive; and a requirement of 40% open space is on the high side.

The meeting adjourned at 10 p.m.

Whether you're traveling across the country for a weekend, or just across town for a party, please remember to "buckle up" for safety and drive carefully.

The advertisers in the Millbury-Sutton Chronicle would like to wish you a happy and safe 4th of July holiday weekend.

Introducing the

Transformer Mortgage

Because rates that go up, can come down.

If mortgage rates that go up can come down, why lock into a high fixed rate now?

With the Transformer Mortgage from Fidelity Co-operative Bank, you don't have to. The Transformer lets you pay a low adjustable rate now or lock into a fixed rate security at your option. You can keep your adjustable rate until fixed rates are lower, and convert to a fixed rate at no cost to you anytime between the first anniversary and the fifth anniversary of your loan, or lock in a fixed rate up to seven days prior to closing. The decision if and when to lock in is yours. That's the Fidelity Transformer advantage.

A Bit of History....

by Grace Laffash

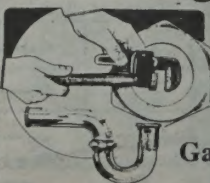

Because it is our town's 175th birthday, I would like to share a bit of history with you. Here is a delightful anecdote taken from the History of the Town of Millbury. All firefighters take notice!

In Bramanville, between Marie's Family Restaurant and the Village Knoll Variety Store, there is an empty lot where the Mayo Woolen Company Mill #3 once stood. Previously on the site, stood the cotton mill of Braman and Benedict.

During the night of December 27, 1840, a fire broke out in the old Braman factory. The alarm sounded. However, the oxen pulling the fire engine were impeded by one and a half feet of new-fallen snow and arrived a half hour after the structure had burned to the ground. After arrival, another three-quarters of an hour passed before the men were able to get the engine started.

Fidelity Co-operative Bank Awards \$5,000 in Scholarships

Tina Campanale is congratulated by Francis M. Metterville, President of Fidelity Co-operative Bank, upon being presented with a \$1,000 scholarship in conjunction with the Bank's Anniversary Scholarship Program for 1988. Tina is the daughter of Jack and Paulette Campanale of 23 Gover Road in Millbury. A recent graduate of Millbury High School, Tina plans to attend Anna Maria College in September.

Fidelity Co-operative Bank has awarded \$5,000 in scholarships to area students in conjunction with the Bank's Anniversary Scholarship Program celebrating 100 years of service.

"Providing these scholarships to area students," stated President Francis M. Metterville, "is just one of the ways we chose to show our appreciation to residents of the local communities, who are responsible for the growth and success of our banking institution over the past 100 years."

Metterville reported that five \$1,000 scholarships were awarded based upon qualities of leadership and community service demonstrated through involvement in extra-curricular activities or part-time employment, and financial need.

The five recipients, who were selected from each of the markets serviced by the Bank, are: John J. Richard, a graduate of Fitchburg High School, son of Alcide and Azilda Richard of 21 Longwood Avenue in Fitchburg, who will attend Holy Cross College in September; Amy Beth Zaleska of Lunenburg High School, daughter of Gary and Pauline Zaleska of 1024 Massachusetts Avenue in Lunenburg, who will attend Anna Maria College; Michael J. Wironen of St. Bernard's Central Catholic High School, son of Jeffrey and Regina Wironen of 86 Blossom Street in Leominster, who will attend Plymouth State College; Lilli Dorene

Bradley of Oakmont Regional High School, daughter of Darlene A. Johnson of Minott Road in Westminster, who will attend Smith College in Northampton, Ma.; and Tina Campanale of Millbury High School, daughter of Jack and Paulette Campanale of 23 Gover Road in Millbury, who will attend Anna Maria College.

Members of the Scholarship Committee, comprised of Dorothy A. Driscoll of Leominster, Supervisor for the Diocese of Worcester School Department, Dr. Philip M. Fallon, Superintendent of Schools in Fitchburg, and Raymond H. Glynn, Superintendent of Schools in the Ashburnham-Westminster District, commended the five recipients for their outstanding achievements, which allowed them to emerge from an extremely talented field of applicants to claim these scholarships. Committee members also expressed what a rewarding experience it has been in reviewing the participation of area youth in such a variety of community activities.

Library Reading Clubs

MILLBURY - The first meeting of the Library's Reading Club and Read-to-Me Club will be held during the week of July 4 at the Millbury Public Library, 128 Elm Street.

Starting on July 5, the Reading Club will meet every Tuesday at 1:30 p.m. This program gives children entering grades three and up an incentive to read for pleasure during the summer months. Readers will be invited to participate in a number of activities that will prove to even the most reluctant reader, that reading is fun.

Also, on Wednesdays, beginning July 6 at 10:30, the Read-to-Me Club will be meeting during the summer. This club is for children in kindergarten, first and second grades. The club will help give your child a good start in school by providing a fun reading program that involves both parents and children reading together on a regular basis. Children in the Read-to-Me Club will enjoy a number of activities throughout the summer.

Advance registration is necessary for both programs. For registration information, call 865-1181.

Volunteers Needed for Housing Partnership

MILLBURY - The Millbury Board of Selectmen is soliciting volunteers to participate on the local Housing Partnership. Anyone interested in serving on this committee may contact the Selectmen's Office, Municipal Office Building, 127 Elm Street, Millbury, 865-4710.

'Operation Identification' to Protect Valuables

MILLBURY - The Millbury Police Departments now has electric engraving tools which are available to loan to Millbury residents. The police have begun an "Operation Identification" program for the benefit of all Millbury residents. Citizens may borrow an engraving tool from the police department for two (2) days to inscribe their social security numbers on valuable personal items such as TV's, VCR's, bicycles, lawnmowers, snowblowers, gas grilles, cameras, etc. The tools are simple to use and will permanently identify each item.

There is a ten dollar (\$10) cash deposit required for the loan of the engraving tool which is refunded to the borrower when the tool is returned. A file will be maintained at the police station of each participant's name, address, social security number and their property, so that recovered items may be returned to their rightful owners. All residents are urged to take advantage of this program.

Around The Town & Golden Agers Update

By Lillian C. Sheehan

CENTERVIEW APARTMENTS - Mr. and Mrs. Theodore Renaud of Centerview celebrated their 65th Wedding Anniversary recently. The Renauds were married in Our Lady of the Assumption Church on June 25, 1923, with the curate at that time, Father Fucault, officiating. Florida, nee Duhamel, and Ted are affectionately called Memere and Pepere. They have two daughters and one son, 15 grandchildren and several great grandchildren. Ted is 87 and Florida observed her 90th birthday last March with a big party. They received many cards and gifts, and thank their many friends.

Mary Scannell

Recently retired as Treasurer of the Millbury Golden Age Club, after having served in that capacity for thirteen years, Mary Scannell said she has always like to work with figures. Mary worked for Ramsdell & VanDyke, Inc. and Whitaker Reed since she graduated from high school in 1918, and she retired from business in 1967.

Of the Millbury Golden Age Club, Mary says that there have been many changes since her own mother was a charter member; Senior Citizens today are much more active, going on trips for a few days or a day trip to a dinner theatre, or attending the races, or enjoying the fall foliage, etc.

'Twas said that Mary guarded the Club Treasury with extreme diligence and the members accepted her resignation with regret but with appreciation and thanks for a job well done.

House Approves Resolution Honoring Blackstone Valley All-America City Designation

UXBRIDGE - The Massachusetts House of Representatives has approved a resolution honoring all citizens of the Blackstone Valley on the occasion of their selection as recipients of the 1988-89 All-America City Award.

The All-America City award is conferred by the National Civic League. The ten 1988 winning communities were selected from 96 original applicants and 25 finalists.

The resolution, co-sponsored by Rep. Richard T. Moore (D-Uxbridge), Marie J. Parente (D-Milford), Daniel J. Ranieri (D-Bellingham), John R. Driscoll (R-Northbridge), and Paul Kollios (D-Millbury) was unanimously adopted by the House. Individual copies of the resolution will be presented to the Boards of Selectmen of each of the eleven Valley towns at ceremonies later this summer.

The Blackstone Valley was the only community in New England to be selected this year. The Valley's presentation to the awards jury chronicled the frustration of Valley residents with the chronically high unemployment rate, departing businesses, and severe lack of opportunity. Blackstone Valley citizens, as a consequence, organized to identify common goals. One achievement was the reconstruction of Route 146 which now serves as the major highway through the Valley. The Blackstone Valley Regional Development Corporation was created and was instrumental in attracting 30 businesses and over 900 jobs. To promote more tourism and economic development, the Blackstone River and Canal Commission was created, which developed the Heritage State Park for the Preservation of open land and maintaining the region's rural character.

New Charter Calls for Action on Absenteeism

By Terry Barnicle

SUTTON - The Sutton Selectmen met on Tuesday, June 21, with all members present and Administrative Assistant Dexter Blois in attendance.

The following items were discussed:

- VOC TECH ROOF REPAIRS

With all in favor, it was voted to support the roof repair project at Blackstone Valley Regional Vocational Technical High School in Upton. Sutton's assessment is 4.3%, based on each town's percentage of student enrollment in the

school.

- RECREATION COMMISSION VACANCY

There are presently no candidates for the Recreation Commission and all interested parties are urged to apply, either by calling Mr. Blois at the Town Hall, or by contacting the selectmen or the recreation commission. Resumes are welcome.

- APPOINTMENTS

On a motion by Selectman Rick Labonte, the board voted to appoint all persons on the list presented by the Chief of Police for the Police Department. New this year was the inclusion of two honorary members who are off active duty.

- DUMP STICKERS

The board announced that dump stickers will be available Tuesday evenings, from 7-9 p.m. at the town hall. There will be a sign at the dump giving notice that new stickers will be needed as of July 1.

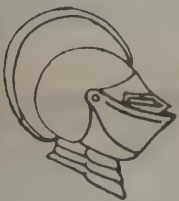

- PRIVATE SEPTIC SYSTEM

The state has awarded a grant for the purchase and installation of a new septic system for 20 private homes in Manchaug. Questions arose over who will be responsible for operating and maintaining the system. Residents of the area will be invited to a future selectmen's meeting to discuss the issue.

- ABSENTEEISM

It was voted that all chairmen of boards and commissions will be sent an excerpt from the new Charter regarding removal of members who are chronic absentees.

The meeting adjourned at 8:45 p.m.

*Don't wait,
Don't hesitate,
make it great
all summer long
readin' books from
the Millbury
Public Library!*

Get set for a summer of reading fun! The Millbury Public Library and the Millbury Public Schools have created yet another list of "Cool Books for a Hot Summer." To be sure that children and parents find the books they want, the media centers at the Elmwood Street School and Shaw Middle School have loaned the library additional copies of all the books found on this list. In this way, the Library will be able to make multiple copies of each title available, all summer long.

Don't forget to join in the fun by participating in the library's summer reading clubs for preschoolers through grade two and children in grades three and up. There will be lots of fun activities including designing a tee shirt, a disguise workshop, and a tacking and trailing course.

Adults, the Millbury Public Library has not forgotten you. Look for the Library's "Beach Blanket Reading" recommendations in the next issue of this newspaper.
